40 YEARS AGO, THE ATHEIST SOVIET GOVERNMENT NEARLY EXTINGUISHED THE LIGHT OF THE GOSPEL IN UKRAINE.

The 70 years that the Soviet Union ruled were dark ones for Christians in Ukraine. Churches were destroyed. Pastors were executed. Bibles, hymnals and other religious materials were burned.

Under such intense persecution, many people abandoned their faith in Jesus Christ. Generations of children were not baptized or brought to God's house.

YOUR CHILD CAN HELP THE GOSPEL LIGHT SHINE!

When your children participate in "One Hundred Bible Stories for Ukraine," they help tell their Ukrainian brothers and sisters all about their Savior, Jesus Christ. Just one \$10 offering provides a copy of the *One Hundred Bible Stories* in the Ukrainian language, which will be given free of charge to a child who has no other Bible story-book. Imagine what your gifts of \$50, \$100 or even \$500 could accomplish!
